

Dear Shavkat,

Thank you very much for informing me.

With this email I would also like to express my heartfelt condolences to you, who lost a professional mentor, to the whole SIC team, but also to his family, who is mourning the loss of a caring husband, father and grandfather. It is a moment to pause.

Viktor was an admirable man and a great leader in many ways. I will definitely keep an honourable memory of him.

Let us stay in contact!

Sincerely,

**Prof. Dr. Christopher Conrad**
